

RONALD SHOLTIS JR

Graphic / Web / 3D Designer

I am a motivated artistic professional with multiple college degrees and a successful track record with over 10 years of Graphic Design and Art experience. I employ an extreme talent for quickly mastering technology and programs vital to the success of a job. I also have experience printing, vinyl cutting, matting, and with HTML/CSS design.

I use diplomatic and tactful techniques with professional and non-professional clients at all levels. I am accustomed to handling sensitive, confidential records and non-disclosure agreements. I am also very versatile, able to maintain a sense of humor and professionalism in and out of pressure from the job. I can thrive in deadline-driven environments and have excellent team-building and lead skills.

EDUCATION

Saginaw Valley State University

BACHELORS OF FINE ART | www.svsu.edu

2006 - 2010

I transferred from community college to SVSU in the fall of 2006. My Fine Art degree emphasis was in Graphic Design but also took extra HTML & Web Design classes.

Saginaw Valley State University

BACHELORS OF HISTORY | www.svsu.edu

2006 - 2010

Instead of a Major/Minor combination, I decided to enroll and complete the dual-bachelor program. My history emphasis was American History.

Kirtland Community College

ASSOCIATES OF GRAPHIC DESIGN | www.kirtland.edu

2004 - 2006

I decided to get a straight associates in Graphic Design, which had more classes tailored directly for this and not as much traditional art focus.
